

Multi Line Progressive LED Mirror 1200

ML-1200-2L

The Multi Line Progressive 1200 LED Mirror features [Progressive](#) lighting which transitions the framed light from cool to warm white. To switch on the light, gently touch the soft touch button and the LED will be the same light shade as when it was previously switched off. The bevel-edge frame and accompanying defogger make for an effortlessly functional mirror, suitable for any bathroom.
