<b>Function:</b>	Soft-Close Door & Drawer
<b>Care and Maintenance:</b>	Marble is a natural stone and must be cleaned with care. First remove dust from the surface using a soft dry cloth. Using a damp cloth and water-based cleaner or mild soap diluted in warm water, wipe down the entire marble counter. Marble is prone to water spots so always dry immediately when wet.
<b>Installation Instructions:</b>	Suitable for wall plumbing installation only. It is recommended to apply a sealant on the marble upon installation.
