DAYTONA - RIMLESS

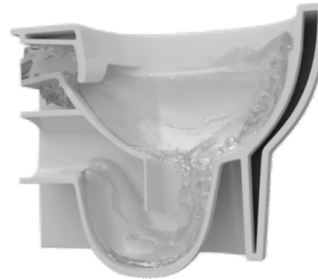

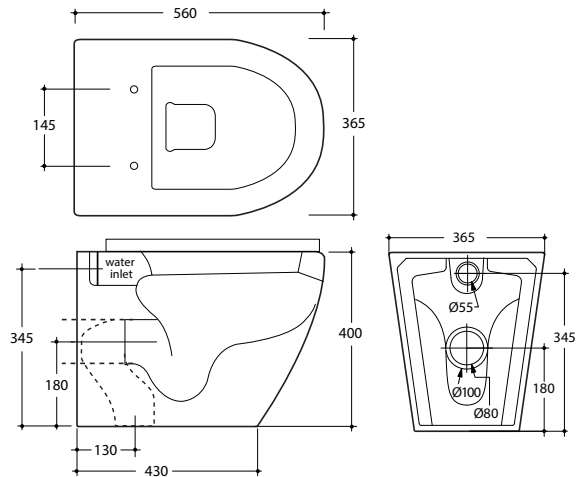

Wall Face Pan White

Product Code: H-157RL

Dimensions

365mm (w) x 560mm (d) x 400mm (h)

DESCRIPTION

When minimalism is a must, Daytona is always first over the line. Its streamlined pan is perfect for the modern pace of everyday living and short projection allows extra space in any bathroom.

Daytona Floor Pan is designed to get maximum hygiene using minimum water by advanced Rimless technology. This means water is injected into the pan with only two outlets of very high water efficiency, eliminating the need for a rim which can accumulate bacteria over time.

Elegant, spotless, and graceful, Daytona's shape is as pleasing to look at, as it is easy to clean. The pan and adjacent space are contained within a design marked by soft curves.
